

# HUNGER, JESSICA, MSC

## GENERAL INFORMATION

**Doctoral Researcher**  
Department of Neuroradiology  
University Hospital Heidelberg  
Im Neuenheimer Feld 400  
69120 Heidelberg  
Germany

C03

## ACADEMIC EDUCATION & QUALIFICATION

Year(s)	Education
since 2020	PhD student at Ruprecht-Karls-University Heidelberg Graduate schools: Helmholtz International Graduate School for Cancer Research and UNITE school of Neurooncology
2017-2019	Master of Science in Molecular Biosciences Major Neuroscience at Ruprecht-Karls-University Heidelberg
2016	Study abroad at University of Victoria, BC, Canada
2014-2017	Bachelor of Science in Biomedical Science at Philipps-University Marburg

## SCIENTIFIC EDUCATION & QUALIFICATION

Year(s)	Education
2019	Master thesis: "Consequences of glutamate-mediated excitotoxicity on mitochondrial dynamics in hippocampal neurons" at Interdisciplinary Center for Neurosciences (IZN), Institute for Anatomy and Cell Biology, in Heidelberg supervisor: Dr. Carlos Bas-Orth
2017	Bachelor thesis: "Inhibition of Parthanatos by Post-Translational Effects of Caccinia macranthera Plant Extract on MIF" at Biomedical Research Centre (BMFZ), Department for Immunology, in Marburg supervisor: Dr. Michael Bacher

## PROFESSIONAL EXPERIENCE

Year(s)	Education
since 2020	Doctoral Researcher at the German Cancer Research Center, Clinical Cooperation Unit Neuroimmunology and Brain Tumor Immunology PI: Prof. Dr. Michael Platten
2018 - 2019	Student trainee at Chemovator GmbH
2018	Internship at Center for Neuroscience and Cell Biology (CNC) in Coimbra, Portugal

## OTHER QUALIFICATIONS/ROLES/RESPONSIBILITIES

Year(s)	
2014-2019	Fellow of Studienstiftung des Deutschen Volkes
